

CHURCHILL®

Bamboo

Bamboo

Taking inspiration from nature, Bamboo has a sculptural grace which balances design with performance. The raised embossed design is influenced by the natural flowing form of bamboo. The white range is available in a comprehensive collection of items. Two feature colours, Dusk and Mist, inspired by shades of the landscape make exciting complementary additions to the range. The colour subtly enhances the linear embossment. Statement pieces in a Studio Prints Raku pooling effect are perfect for elevating premium food presentation, while glass tableware in a subtle Dusk colour adds a new dimension to the Bamboo collection.

Inspired by nature

With an organic sculptural appearance and impressive performance attributes, Bamboo has its own distinctive style. A modern and delicate embossment combined with long lasting durability and strength.

Modern and delicate for gourmet and casual

The combination of the embossed design and the introduction of colour makes Bamboo the perfect choice for gourmet presentation or casual dining. Statement items and feature colours within the collection can create stunning signature dishes whether presented independently or as an eclectic modern mix with other Churchill products.

Conference and banqueting

Offering a wide collection of items including presentation plates and footed plates for service. Items are lighter, designed to stack and are ideal for large scale dining events. Bamboo also offers a comprehensive beverage range.

BAMBOO

CERAMIC FEATURES & BENEFITS

Super Vitrified Body

Super Vitrified is a vitreous body that does not absorb moisture, it is more hygienic and has better heat retention properties. Its high resistance to thermal shock helps reduce breakages and provides superior strength.

Superior Glaze Finish

Protected by our ecoglaze, a high performance glaze that enhances product performance, prolonging the life of the product, improving stain and metal mark resistance and durability.

Decorated Items

Dusk and mist coloured items are decorated individually by hand, which makes each piece unique. Topaz blue and quartz black pooling effect is achieved with a reactive print. Each piece is unique as it acquires texture and colour through random and spontaneous effects.

Underglaze Decoration

Colour is positioned underglaze, this creates a protective layer to add lasting durability and improve performance during service use.

Footed Plates

Key plate sizes have a foot which can be an essential requirement for banqueting. Elevated from the table, easy to carry and transport, allowing air to flow when stacked.

Lighter

Refined thinner profiles reduce the weight of each item. Easy to handle and excellent stackability reduces storage space back of house.

Fully Glazed Base on all Flatware

Prevents damage when stacking.

Improved Face Profile

A defined rim edge to improve food presentation.

Strong & Streamlined

Lightweight, attractive product with a rolled edge that is designed to withstand a back of house environment.

5 Year Edge Chip Warranty

Covered by our 5 Year Edge Chip Warranty. ⚡ Denotes items covered by the warranty.

Microwave & Dishwasher Safe

BAMBOO

CUTLERY FEATURES & BENEFITS

Design Innovation

Exclusively designed in-house by Churchill in the UK.

Perfect Partner to Churchill's Ceramics

Designed to complement the extensive Churchill ceramic portfolio.

High Polished Finish

Polished to an exceptional, high mirror finish.

Finest Quality 18/10 Stainless Steel

Manufactured in high quality 18/10 Stainless steel.

Tested to British Quality Standards

Tested to BN EN ISO 8442-2:1998 (Food safety, corrosion resistance, hardness of knife blades).

Dishwasher Safe

Tested to withstand a hospitality dishwasher environment.

Service & Stock

Stocked in our UK based warehouse, with all the benefits of the Churchill continuity and service promise.

Environmentally Friendly

All packaging is fully recyclable.

Gauge

The gauge of our ranges are selected for practicality and strength.

*Gauge is measured at the neck of the piece '+' indicates the gauge increases further down the handle.

Designed for the Hospitality Industry

Specifically designed to enhance the hospitality dining environment with durability, comfort and style.

BAMBOO

GLASS FEATURES & BENEFITS

Design Innovation

Exclusively designed in-house by Churchill in the UK.

Perfect Partner to Churchill's Ceramics

Designed to complement the extensive Churchill ceramic portfolio.

Tested to British and European Quality Standards

Food Safety tested (EU 2005/31/EC).

Dishwasher Safe

Tested to withstand a hospitality dishwasher environment. Dishwasher tested (BE EN 12875-4).

Service & Stock

Stocked in our UK warehouse, with all of the benefits of Churchill continuity and service promise.

Environmentally Friendly

Both the glass and the packaging are fully recyclable.

Designed for the Hospitality Industry

Designed in a 5mm thickness for extra durability and strength to enhance the hospitality dining environment.
