TOUGHENED CRYSTAL GLASSWARE

# CRYSTALEX

## TOUGHENED CRYSTAL GLASSWARE

Extremely durable bohemia crystal glass with excellent impact and thermal shock resistant. Ultimate clarity and sparkling brightness for spectacular visual effect. Proven in laboratory testing and complaint to European 69/493 EC directive. The latest high-tech crystal glass formula decoloured to the brightest of rock crystal with the strength of sapphire, designed for the catering and hospitality professional.

Extended upper rim thickness for excellent impact resistance

Processed rim with unique toughening method

Perfectly balanced glass proportions with excellent functionality

Tested to thousands of dishwasher cycles without effecting clarity

Latest sophisticated glass mass developed specifically for hospitality

High impact resistance tested in compliance with EU standards

Resistant to thermal shocks of 60c (rapid cooling from 80c to 20c)
