

Care In Use

humble

PREMIUM WIRELESS AND RECHARGEABLE LAMPS FOR HOTELS, RESTAURANTS
AND OUTDOOR SPACES

USES

- ☒ Always handle the lamp by its base when transporting to avoid dents, marks, creases and tears.
- ☒ Place the lamp on a dry, level surface before use.
- ☒ Inspect the charging cable for damage before use.
- ☒ Charge according to the supplied charging instructions and applicable charging bases.
- ☒ Avoid overcharging the battery, as this may reduce the products lifespan. Charge the battery only when required.
- ☒ Switch the lamp off before cleaning. Wipe with a soft, lightly damp cloth moistened with water only. Do not use solvents, alcohol, or abrasive cleaners.
- ☒ After cleaning, allow the lamp to dry completely before charging or outdoor use.
- ☒ The polycarbonate shade can be removed for cleaning. Do not wet-clean linen shades.

MISUSES

- ☒ Do not expose the lamp to excessive heat.
- ☒ Do not submerge the product in water or any other liquid.
- ☒ Do not use if the charging cable or power supply is damaged.
- ☒ Do not stare directly into the light source at full brightness.
- ☒ Do not use chemical or abrasive cleaning products.
- ☒ Avoid leaving the linen shades in direct sunlight, exposure may cause some gradual fading overtime
- ☒ Do not wet-clean linen shades.

FEATURES & BENEFITS

Up to 140 Hours Battery Life

Light that lasts through service on a single charge.

Remote Control

Set the mood, lock lights or check battery status across up to 3 zones.

IP65 Rated

Water Resistant, for reliable service across dining rooms, terraces and poolside settings alike.

Wireless Charging

Secure, magnetic alignment.

Refined Design

Anodised aluminium base and polycarbonate shade, built to resist rust and wear.

Built to Last

Every part is replaceable, made to stay in service for years.
