

SEAL

Tempt customers to spend more with Seal displays and merchandisers.

You can rely on the Seal displays, merchandisers, cabinets and showcases to hold food in optimum conditions – at all times.

The sleek and elegant designs entice customers to spend more as you can tempt them with your already prepared meals and snacks.

Whether you're looking for a front of house or back of house solution, and whatever the type of food, from hot meats, pizzas and pies, to cold sandwiches and yoghurts, you'll find the perfect model for you in the Seal range.

Ideally suited for...

The Seal range is ideal for anyone who needs a method for holding food at the right temperature while tempting customers to spend more at the same time.

School and college canteens

Keep student meals and snacks in the optimum condition and encourage additional sales.

Hotels

Perfect for showcasing and holding foods during breakfast as well as for other meals.

Sporting venues

Entice customers before, during and after the game with clear and well-designed displays of appetizing food.

Cafés

Keep baked goods and other foods in the perfect condition while tempting your customers to make additional purchases at the checkout.

The Seal range combines the functional - keeping food at the optimum temperature - with an attractive design that can entice customers to make additional purchases.

Benefits at a glance

- Showcase your food and increase sales
- Ambient, refrigerated and heated merchandisers and displays
- Keep food in optimum condition
- Front and back service option
- Reliable
- Sturdy
- Hygienic

Hot Air Displays

HAD40 and HAD50

The perfect way to display hot food and **generate grab & go sales**. The convected hot air system ensures food is not only safe but also kept in prime condition at just the right temperature.

- Maintains the ideal holding temperature of 65°C – 70°C, ideal for all sorts of pre-cooked hot foods, including pizzas, pies and sausage rolls
- Compact 400 and 500mm wide design for where counter space is at a premium
- Food is displayed on four 'easy to remove' tilted shelves within the two compartments
- Hot air curtain at the front minimises heat loss
- Electronic temperature control to within +/-1°C

- Secondary safety limit thermostat
- Stainless steel point of sale holders
- Lighting providing a bright interior with user replaceable light bulb
- Easy clean stainless steel external finish
- Easy clean stainless interior
- Toughened glass sides and front deflectors
- Non-slip feet
