

Waffle Iron

GES23

The latest model in our range, the GES23 Waffle Iron is specifically for “corn ear” pattern stick waffles. The cast iron plate features 4 moulds so can cook 4 waffles at a time. The GES23 will produce great tasting waffles in just a couple of minutes. The elements are seated beneath both cooking plates giving rapid and even heat across the whole cooking area. The GES23 has a 4 sided drip tray making it suitable for use with fresh or frozen waffle dough and fresh batter mix.

Features: power on neon, surround drip tray, cast iron cooking plates, 300°c thermostat.

Accessories (optional) : waffle sticks(pack of 500), stainless steel display stand
